

An aerial photograph showing a rural landscape. The image is divided into several sections. On the left, there is a large, rectangular field with a yellowish-green tint, possibly a crop field. To its right is a residential area with many small, white buildings. Further right is a large, dark green field, possibly a forest or a large field. In the top right corner, there is a cluster of buildings. Two parcels are outlined in red: one in the top right labeled '147/2' and one in the bottom left labeled '23/11'.
